Pepe was at her girlfriend's house when she spotted her friend's brother doing some sit ups on the floor. After he finished, she told him to drop his pants and she immediately swung her blonde hair over to him and wrapped her mouth

YOU WANNA DO WHAT?

around his already stiff cock. As she was sucking him, she whispered how much she would like him to fuck her in the ass. After a quick thrust or two into her wet pussy to lube up his dick, it's straight into her small brown star. Not quite ready for the huge size and curve of his cock, she found her pleasure heightened by it, and thoroughly enjoyed the taste of his warm cum.

Good morning, I'm Bella Baby and I'll tell you a good cup of coffee in the morning can determine your outlook on the whole day. Coffee isn't the only wake up call there is. I can think of a better stimulant to put in my mouth. If my boyfriend is still asleep, I think I should wake him with a nice hot blowie. I could slip off his tighty-whities to reveal that summer sausage. Once I get that dick hard I want it all over my wet tongue.

I'LL TAKE GOOD CARE OF THAT MORNING WOOD

All I can think about right now is stroking that cock over and over. Keeping that cock inside my mouth and sucking it till I get every last drop of cum out of him. I think I'm gonna get started on that now. Oh no, he's already awake! Oh well it, that won't stop me now!

Bomb Threat

If the cops managed to trace this caper back to him he would be in big trouble...

The janitor's closet reeked of bleach and disinfectant. Still, Danny had no choice in the matter. The call had to be made in private.

Hiding within the tight space, his sinuses aggravated by the pungent chemicals, he punched in the number on a cheapo burner phone he had purchased with cash. A paranoid precaution, perhaps, but he wasn't taking any chances. If the cops managed to trace this caper back to him he would be in big trouble, maybe even looking at a prison sentence.

The things we do for love, Danny thought.

Or lust . . .

"Benedict, McFadden & Murphy," answered the big boss's administrative assistant.

"Listen—very—carefully," Danny, wearing a devilish grin, spoke into the phone; he paused for dramatic effect before delivering the meat of his message. "There is a bomb inside the building . . ."

"I beg your pardon?" the woman asked.

"You heard me—a bomb. I'm holding the detonator as we speak. It's a little red button, just

like in the movies . . ."

"Is this some kind of joke?"

"Joke?" Danny struggled to contain his laughter. "I don't think so, sweetie. Not unless you have a very dark sense of humor . . ."

"Look at 'em." Donna stood at the fourth floor window peering at her coworkers congregated in the parking lot. "They look like cattle down there."

Danny didn't like her standing at the window like that. Somebody might look up and see her. But he kept his mouth shut. Donna was temperamental, and he didn't want to piss her off. Not at such a pivotal moment in their scheme.

Their plan had worked perfectly. Well, it wasn't really their plan. Donna had masterminded the whole thing. Plain sex wasn't good enough for her. She needed risk.

Danny had wanted to fuck Donna for months, ever since he had started his paralegal gig at Benedict, McFadden & Murphy. They had gone out for cocktails a week prior, their date culminating in Donna's outlandish ultimatum. "I'll sleep with you," she had told him, "on one condition." At first he had thought the successful attorney was kidding. Then, realizing she was for real, he had thought she was nuts. "I'll have to think about it," he had told her, not sure if she was worth the risk. That night he had dreamed of banging her on the copy machine. The next morning at work he had agreed to do it. "Fantastic," Donna had replied. "You won't be sorry."

Now Donna turned from the window and faced him. "You did well, Danny. I'm impressed."

"It was a simple phone call."

"Come on." She led him to the big boss's office at the end of the corridor. In his panic the bigwig had left the door wide open. "Perfect," she said, crossing the threshold with Danny on her heels.

They undressed in a rush. Time was of the essence. Surely

the bomb squad would be arriving any minute. Donna lay atop the big boss's desk blotter. Danny stood between her meaty thighs, nudging her wet slit with his prick cap. He toyed with her, rubbing against her pussy lips, occasionally prodding her clit.

"Fuck me good," she uttered.

He plunged inside her. Donna gasped, wrapping her legs around his waist as she did so. Her pussy felt amazing; not the tightest he had ever had, yet wonderfully warm and soft. He screwed her with frenzied jabs, watching her enormous D-cup tits shimmy and shake. She lowered a hand and diddled her clit with deft fingers, adding another dimension to her pleasure as Danny continued to pound her pussy, driving deep inside her with powerful thrusts.

They screwed in this manner for some time before Danny, on the verge of blowing his wad, pulled out. Donna allowed him a few seconds of recovery time; then she hopped off the desk and knelt before him. Stroking his shaft with one hand, she licked and lapped his nuts with meticulous care, eventually sucking his entire sack.

Danny watched her hand shuck his rod, listened to the raunchy slurping sounds emanating from her mouth. It was too much. His balls boiled with jolly jam.

"Oh, shit, Donna! Ohhhh!!!!!"

His cock erupted. Cum jetted in pulsating arcs, one after another, beading Donna's lips and chin. It was at this time that the bomb squad arrived on the scene. The big boss's corner office had several large rectangular windows allowing Danny and Donna to view the spectacle from various angles.

"They're too late," Donna remarked. "Oh, the irony . . ."

"What do you mean?" Danny asked her.

"The bomb went off," she explained, "in my face!"

— Chris H., Winstom-Salem, NC

Mullet Stud

Jason's windows were rolled down, the old railroad trestle providing much shade, but it was still hot inside my boyfriend's car. I lay on the backseat, legs spread, rubbing my pussy as he moved on top.

The compact coupe made for cramped quarters. Still, it was the best we could do. Both of us still lived at home with our parents. Privacy was hard to come by. A motel room was out of the question; neither of us had the money. Jason and I were saving up for school, a real school, the four-year university upstate. For now we were stuck at the crappy community college in our equally crappy hometown.

Granted, things could've been a whole lot worse. Some of my best girlfriends weren't smart enough for college; they were stuck here, destined to spend the rest of their lives working shit jobs for shit pay. A few of them had even managed to get themselves knocked up.

It was a common story around these parts. Hell, there was nothing else to do. Sex was the only recreational activity. Jason and I came out here to our favorite make out spot as often as possible; it was home away from home.

Now my pussy was dripping. The juices coated my fingers as I played with myself, eagerly awaiting Jason's throbbing cock. He was almost there, his engorged glans inches from my splayed lips, when the unthinkable happened.

Bbbbrrrrrriinnngggggg!

The old school ringtone of Jason's phone shattered the mood. For him, anyway. I was more than willing to ignore his damnable device. My boyfriend had other ideas. He forgot all about me, retrieving his phone from the center console. I lay there as he took the call, getting angrier and angrier as he chatted with his mother. Jason was a real momma's boy. This wasn't the first time that he had chosen her over me.

"Sorry," he told me after hanging up, "but we've got to go."

"You're kidding?"

"I'm afraid not. Mom needs to borrow my car."

"Now?"

Jason ignored my question. He was already getting dressed. I was astonished at the rapidity with which he had shifted gears.

"Fuck this!" I said, snatching my clothes from the floorboard. I pushed the door open, climbed out, and dressed hurriedly. Ja

son had already cranked the car. I walked away, heading for the nearby woods. He honked the horn several times.

"What in the hell are you doing?" he called from the car.

I stopped in midstride, turned to face him, and extended my middle finger. "Go fuck yourself, Jason! I've had it with your momma's boy bullshit!"

He tried to coax me into the car, telling me that I was being unreasonable, but I wasn't interested. I was willing to hike the five miles back to town. Finally Jason gave up. He drove away, his tires kicking up dust as he sped down the dirt road that led to the highway.

"Good riddance," I muttered.

I worked my way through the dense foliage, intent on taking a shortcut back to town, when I came upon a clearing. There was a trailer in the center of the clearing, an awful looking thing perched atop cinderblocks. The catawampus structure seemed on the verge of collapse. An old battered 4x4 pickup truck was the only indicator of habitation. Aware that I was trespassing, I skirted the property, fearful of getting filled with buckshot by some old redneck.

The trailer door crashed open with a bang, scaring the ever living shit out of me. As expected, the owner was a redneck. But he wasn't old; crazy, perhaps, but not old. I judged him to be in his mid to late twenties. Camouflage pants and battered dollar store sneakers complete his look.

My gaze was drawn to his chiseled, thickly muscled chest. He had one of the most impressive sick packs I had ever seen. Clearly, he was some kind of martial artist. No momma's boy, not this guy. He looked like some kind of survivalist badass, definitely not one to fuck with.

"You okay?" he asked me.

I felt compelled to relate the whole ordeal, lest he think I was some lunatic wandering through the woods for no reason. I told him everything that had happened in Jason's car. Having listened to my confession with rapt attention, he shook his head sadly and said, "Your boyfriend sounds like a momma's boy."

I couldn't tear my eyes away from his hot body. I wondered if he had a girlfriend. Probably not. This dude was a serious loner. Of course, even the staunchest loner

had needs. He invited me in for a beer. I accepted. His name was Nick. After a few cold ones he offered me a ride home.

I offered to ride his cock.

Nick's bed was just a mattress on the floor, but I wasn't complaining, not the least bit.

Having impaled myself on his turgid tool, I made good on my offer, working my hips with frenzied urgency. I pumped him, grinding and bucking like a naughty cowgirl. He lay there beneath me, fondling my tits and twisting my nipples. His touch was electric. I had never had it like this before. Nick put Jason to shame.

We swapped places. I lay on the mattress, spreading my legs, inviting Nick to go down on me. He ate my pussy like never before, manipulating my clit with his magic tongue, making me come before fucking me in earnest.

Nick pummeled my pussy like a man possessed, thrusting with power, making me moan and groan. Intent on finishing with a flourish, he raised my legs and perched them atop his shoulders, bending me for a proper reaming. This new position invigorated his efforts, prompting him to pound me harder and faster.

Grunting loudly, he withdrew with a second to spare, emptying his balls all over my tits. His was a formidable load—plentiful, sticky, and pungent.

We got dressed. Nick drove me home. My father was mowing the lawn when we pulled into the driveway.

"I'd give you my number, but I don't guess you have a cell phone."

"You guessed right," Nick said. "What about a mother?"

He shook his head. "She's been dead for years."

"Wow," I said, "you're the man of my dreams!"

Joanna's friend Artie is here today because they like to fuck each other. "I guess you could call him my booty call. There's little foreplay, but that's okay by me. I just want to get laid. He starts out a little slower than I would like, but when he gets going, look out below! By now he knows how to please me so we've always had a great time. I can cum a lot with him inside me!"

Jenna and her friends wanted to shoot something risqué while they had the location all to themselves. Her friends started to get into it, and she photographed the whole thing from any angle she could. Once they were done, her friends told her to take her clothes off and model for them. She turned out to be a natural nude model.

The guys were always teasing me during my first weeks at school. I'd never had sex with a girl, and I told them so. That all changed the day Marisa, my roommate's 18-year-old sister, came to our dorm room to visit her brother. Luckily for me, he wasn't home.

I was embarrassed when she came into the room without knocking, because I was sitting at my desk in just my underwear. When I jumped up, she said, "Don't get dressed on my account." So I didn't. But I started sweating, and the room wasn't even hot. Marisa was, though. She was wearing a pair of shorts and a T-shirt that showed her breasts to perfection.

"My brother says you're still a virgin," she blurted, while I gaped in surprise. "Well, I'm here to teach you how to fuck."

With that, she stretched her T-shirt over her head. Her breasts were just as I had fantasized in my dreams. So round, so pure, so wonderful, with the nipples large and dark pink. I guess I was awkward, but I couldn't help myself. I just lifted both hands and fondled each breast with my fingers. I could feel a spurt of pre-cum juice spit from my dickhead. When I brushed my fingers over her nipples, they immediately hardened.

When I look up at Marisa, she was staring down at my dick, which was poking up against my boxers. Marisa grabbed the legs, and said, "Lift." I lifted my butt, and she pulled my shorts off. My dick plopped up and hit my stomach.

I was pop-eyed when she unzipped her shorts and stepped out of them. Then she also dropped her panties, dainty and dark pink, just like her nipples, and leaned over to stroke her tongue over my lips. My dick throbbed and lifted so fast, it tapped her leg. I was scared and excited and amazed—especially since I really didn't know how to go about this.

Marisa knew, thank goodness. She lifted both her knees and knelt down, straddling my waist. Soon she was squirming under me, rubbing her butt, then her pussy, against my stiff dick. I was burning up inside. When she lifted her butt, I kept my face plastered to her chest, licking my way down to her stomach, as smooth and as round as a doll's. Her fingers wrapped around the shaft of my dick as she lowered herself onto me.

I cringed, I burned, I held my breath. My dick was sliding inside her pussy, and I could hardly believe it was happening. I felt myself drift, totally lost in the warm, the wet feelings that coursed around the shaft of my dick. When she sat, she again grabbed my head and pulled it to her breasts. She thrust my face between them and crushed it with her hands.

Marisa started moaning, softly at first, then loudly as she began to ride me. My dick swelled inside her, throbbing as a gush of cum tightened my balls. I started groaning loudly, too, hugging her tightly and humping my ass up to fill her tight, young pussy with more of my dick. I wanted to fill every living inch of her.

Her arms were still wrapped around my neck, and suddenly my mouth was filled with her breast. Gasping for breath, I snapped at her nipple with my tongue. Moaning, she bucked backward, riding my dick faster and faster.

Then I just started spouting. My dick shot off so ferociously that I thought my cum would tear through her body and spurt out

It's no fun being a virgin around here—I know that from personal experience. I figured it was my duty to help you out."

"I'm really glad you did," I moaned. Her fingers were already tickling my dick up to full size.

"And now for your next lesson," she said with a nod. "You've never had your dick sucked, either, have you?"

I barely had time to shake my head before she was gulping me down.

That afternoon turned out to be the most educational experience of my entire 18 years. I learned to fuck pussy, to fuck face, and, finally, how to eat a girl out. I can't wait until next semester!

• Ricky, Nevada

couldn't help comparing his cock to my boyfriend's. It was twice the size of Joey's, and it wasn't even fully erect!

However, it was growing as my little hand slid up and down its chocolate-colored length. Soon I was so not able to wrap my fingers around it that I just had to say, "Wow! Kevin, you're like majorly big!"

Kevin was so shy, he almost looked embarrassed. "You don't have to if you don't want to," he said in a hoarse voice as I pumped him with both hands. But no way was I going to let the team down, so I told him to just relax, like I was some pro, even though I only started having sex last month.

"Let me see what you taste

of her mouth. She was moaning and groaning, and her pussy kept tightening around my dick, forcing my body to surrender to those unbelievable sensations.

My mind was a fucking dishrag when I scraped myself off the ceiling and came back down to earth. My dick was still inside Marisa, and Marisa had a smile of such deep satisfaction across her lips, I couldn't help but smile myself. All I could croak out was, "Thanks."

She said, "My pleasure, Ricky.

ONE FOR THE TEAM

The size of Kevin's cock made me a little nervous, but I was determined to carry out the plan our school's pep club came up with.

As captain of the cheerleaders, it was my job to seduce the star running back of our archrival before the homecoming game and basically fuck his brains out so that he would be too exhausted to play against our school the next night. As I stroked his thick black shaft in the back seat of my dad's car, I

like," I said, lowering my mouth onto the pinkish head of his cock. It was like trying to swallow an apple. The corners of my lips stretched way out, but somehow I managed to take in the whole thing without gagging too much. He tasted very sweet—much better, actually, than my boyfriend, who always seems a little too musky. I sucked and licked the head until I felt him tense up, his hands gripping the sides of the car seat.

"Oh shit!" he yelled, suddenly

lurching off the cushion, plunging his cock into the back of my throat while he flooded my mouth with an explosion of hot fluid. I swear, he must have spurted a dozen times, and I had to gulp like crazy, but even then his jizz overflowed the corners of my mouth.

When he finally pulled out, he was all embarrassed and shaking. His cock really looked beautiful, all shiny and black like a big nightstick.

"I'm sorry," he apologized. "I just couldn't hold back."

"I didn't want you to," I said. "I mean, it really made me horny sucking your cock. Can you feel how wet I am?"

virgin.

"Touch my wet little pussy," I cooed, pulling his wrist and guiding his hand down to my blue cotton panties.

His long fingers slid underneath and around my slit, then finally poked up into my pussy. The look on his face was one of intense concentration. I could feel my pussy getting hotter and wetter. Finally I worked my pants all the way off, then slid out of my panties and spread my legs. He looked like he had seen a vision, the way he just gaped at the sight of my blonde-fringed pussy. I asked if he would mind licking me out.

He looked so cute and con-

shockwaves of pleasure through my entire body, I firmly pushed his head away.

"I want you now, Kevin," I said, stroking his throbbing cock.

"Okay," he gasped eagerly. "How should we do it?"

"Just sit there," I said, maneuvering into position on top of his big thighs. I held the massive shaft in my hand, and, with my butt facing him and my knees pointing East-West, I lowered my dripping pussy over the slippery head of his cock. With my fingers guiding, I rotated the huge prong so that the tip kind of took hold inside me. Then I lowered myself slowly down. There was this feeling of awesome fullness around my entire lower body.

"Oh! My! God!" I gasped as my honey lips slid halfway down his chocolate staff.

His hands were gripping my hips, and I guess the feeling was too intense for him to keep still, because suddenly he started ramming the whole big salami up into me. He kept pounding into me so hard that I started coming almost immediately.

He was so crazy-horny, he plowed into me until he came, juicing my hot pussy with a sloppy, wet load that slid back out over his pistoning rod.

I lost count of how many times we fucked that night, or how many times his big cock made me come, but by the time I dropped him off and went home, I was the one so totally exhausted I could barely do my moves the next night on the field.

Kevin scored four touchdowns and rushed for over 200 yards, and his team won 69 to three, so I guess our plan backfired. I didn't care, though, because I went right home to bed afterward and relived the whole horny experience in my mind!

• Priscilla, Texas

I drew his hand up under the waistband of my sweatpants. At first, he just stared. "You don't have much experience with girls, do you?" I asked.

He shook his head shyly.

I couldn't help thinking that it was like what our English teacher would call irony. There he sat with his half-hard dong dangling between his legs, so humongous it practically dusted the floor of the car, and yet he was practically a

fused, I just pulled his head down between my crotch. "Just start doing what comes naturally," I said, and soon I felt his tongue all over my juicy pussy. He was slurping up and down, really swimming in my juices, his nose bumping against my clit as he tongued away. It was like he was starving and my pussy was the feast he needed. Problem was, I was starving, too—hungry to be filled with his big cock. Even though his tongue was sending

Taylor brought her bright blue eyes and her kick-ass body for us to enjoy today. She had an smile that wouldn't quit, and two perky natural boobs, too. We watched her play with herself on the sofa until Marco stepped in to give her a big cock to suck on and tame her fire inside.

CAN I LEAVE MY SHOES ON?

His hard fucking and playing with her boobs got her so hot, her lust could only be quenched with a big mouthful of sweet man juice!
